MESSAGE FROM ICNA REGIONAL PRESIDENT

Assalaamu 'Alaykum wa Rahmatullahi wa Barakatuh,

Dear Brothers and Sisters,

All praise is due to Allah the Almighty, the only worthy of worship. I pray that Allah (SWT) showers his blessings and peace upon Prophet Muhammad (SAW).

We are blessed to be part of the 16th Annual Convention of the Islamic Circle of North America-South Central Region. Your organization, ICNA, strives for collective success. Our goal is to help and strengthen families and their relationships among themselves and with Allah (SWT). The theme of the 16th Annual Convention is "Faith, Family and Future". There will be several sessions and workshops to highlight this theme and help us improve and strengthen ourselves and the moral values of our society. We thank Allah (SWT) for His favors, and for His allowance to let us gather and remember Him and enjoy this time with our family and friends.

We know that this has been a difficult time for the Ummah. It is important for us to stay strong, keep united, and make a special Dua for our brothers and sisters in Gaza. We have special sessions on Palestine where our national leaders and activists will be speaking which will provide guidance and help us figure out what can we do as a global community moving forward.

With the trust of the American Muslim community, ICNA's work has expanded more than we could have ever expected. ICNA is your organization, So many of ICNA's programs, including Community Services, Da'wah, Tarbiyah, Sisters Division, Revert Support, Youth Development, and Social Justice programs are attended and supported by thousands of Muslims and have been vital to the Muslim Community in this region. I want to take this moment and especially invite you to join hands with us. ICNA is a versatile organization - whatever your interests are, and in whatever capacity you feel you can offer to our community - you will find ICNA to be a great bridge for you.

To conclude, I once again thank you all for attending this year's Convention! We appreciate your continued support and hope to see you join us in our other programs! We ask Allah (SWT) to place barakah in this convention develop within us a commitment towards our beloved religion and provide us avenues to help and serve the Ummah of Prophet Muhammad (peace be upon him). Aameen.

Your brother in Islam,

Faraz Khan

The Amana Mutual Funds: “They get me.”

Where you invest your money changes your world. Isn't it nice to know there's a halal option?

The **Amana Mutual Funds** follow a value-oriented approach consistent with Islamic principles.

Generally, these principles require that investors avoid interest and investments in businesses such as alcohol, pornography, insurance, gambling, pork processing, and banks.

The Funds avoid interest bearing securities while seeking protection against inflation by making long-term investments.
